Dear Parents,

Childsplay Actors' Theater is producing the world premiere of *Rock the Presidents*. This fast-paced, multimedia-filled musical revue spans 222 years and 44 US presidents - from George Washington to Barack Obama. Students will see and hear the stories of the men who rose to the highest office in the land as told through rock, pop and folk songs, and learn that they could become president of the United States of America!

The Wednesday and Friday 3rd-8th graders will go on a field trip on Friday, February 17th (for Friday students) and Wednesday, February 22nd (for Wednesday students) to see this entertaining and educational production of *Rock the Presidents*, which will take place at the Tempe Center for the Arts at 700 W. Rio Salado Parkway in Tempe. Students will attend the 10:00 a.m. performance which lasts 60 minutes, returning to Eagleridge by approximately 11:30.

Tickets for this trip will be supplemented by Student Council and ECA funds, allowing us to provide the tickets to the students at \$5.00 apiece. Please sign the permission form below and provide a check for \$5.00 for each child attending. Payment can also be made in the office by credit card.

Due to the fact that we have a limited number of tickets and teachers will be going with the students, there will be no need for parent chaperones.

Please keep top portion for your information.
