Tiger Cubs Three/Four Year Old Childcare Program

Tiger Cubs Day Care was started in

Our experienced staff is committed to your child's development.

June of 2004 to offer a safe and loving child care opportunity for enrolled preschool children.

This convenient child care service is available on a regular sched-

uled basis or on a drop-in basis as space is available. Our Tiger Cubs classroom is a learning experience that can be used as both a supplement to your student's preschool classroom and by those not enrolled in Trinity's preschool.

We provide the children with a caring Christian environment tailored for each student's development and learning. Each student will:

- Come to know Jesus Christ as their Lord and Savior
- Learn how to follow as His disciples, and
- Share in the joy of Christian learning

Tiger Cubs Three Year Old Program

The three year olds will explore the world and the people around them through play. Love of God and love of one another permeates daily activities. Learning to follow simple directions, developing large and small motor skills, feeling good about one's self and sharing experiences with new friends are all encouraged. The curriculum is designed to prepare each child as a creative, self directed learner.

Tiger Cubs Four Year Old Program

Our four year old Tiger Cubs program provides each child with the opportunity to discover God's world through developmentally appropriate activities. Successful interaction with hands-on math, language and science activities promotes self confidence while developing self-control, social skills and responsibility. Our program is designed to equip each child for success in future learning environ-
