

## BOY/GIRL SCOUTS

Trinity has several troops available for different age groups. If you are interested in joining a troop please see our Deaconess, Ruth Fisher in the church office, or email her at [rfisheraz@hotmail.com](mailto:rfisheraz@hotmail.com).

## LEGO CLUB

Become a Play Well engineer! With over 150,000 pieces of LEGO®, take on real-life engineering challenges that explore concepts in physics, mechanical/structural engineering, and architecture., from motorized machines to castles and catapults!

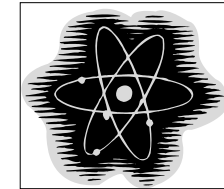

## CHESS CLUB

Studies by major corporations and universities have shown that chess can help students increase their math and verbal skills, as well as their creative and critical thinking.

## MAD SCIENCE

Mad Science After-School Programs are stimulating, multi-week sessions of one hour science-themed classes. The lessons engage young minds with hands-on activities.

## GLEE CLUB

Brought to you by Musical Surprise, our show choir offers students a chance to practice public performance, being comfortable in front of an audience, and many other theatrical skills.

## MATH COUNTS

Mathcounts is a national enrichment club and competition program that promotes middle school mathematics achievement through grassroots involvement in every U.S. State and territory.

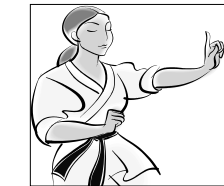

## GROUP GUITAR LESSONS

Enroll in these proven, fun group classes and you will learn guitar care, tuning, strumming patterns, chords, music terminology and the skills needed to play many of your favorite songs!

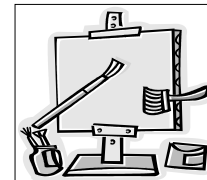

## TAE KWON DO

Now your child can learn the fun art of Tae Kwon Do after school. Fun and fitness through martial arts training has always been our motto! Morrisette Martial Arts has structure and discipline in every class!

## GROUP VOICE LESSONS

Group Lessons are 30 minutes each week, include 5 to 8 students, and cover all the basics of proper vocal technique.

## YOUNG REMBRANDTS

Young Rembrandts step-by-step drawing method can teach every child how to draw, regardless of artistic ability. The results are completed drawings worthy of framing.

## KIDSTIME DANCE

Kidstime dance teaches children basic steps through creative movement, sign-language and music. Your children will explore their creativity as they learn the structure of dance.

## YOUNG WRITERS ACADEMY

Young Writers' Academy is a creative writing program that provides fun and engaging theme-based workshops which inspires kids to write! Each series ends with a finished product to take home, such as a bound book of the students' work.
