What Is Scrip?

Parents, many of you have never heard of scrip, below will give you a brief description of what the meaning of "SCRIP" is all about.

SCRIP = GIFT CARDS = Prepaid Gift Cards and Certificates

Scrip is a term that means "substitute money". When you purchase scrip, you're purchasing prepaid gift cards or gift certificates that are used just like cash. **You can use scrip to purchase everyday expenses, like food, clothing, toys, gifts for Mother and Father's Day, gift for Teacher's Appreciation Week, Holidays gift, even gasoline, etc…and other essentials, and with every purchase, you earn revenue for our School.**

Scrip is "shopping cart fundraising"

Scrip is a popular fundraiser because families don't have to sell anything. School families, friends and relatives **produce revenue by making regular household purchases they *would make anyway*.**

How scrip generates revenue for you

Because the scrip is purchased with cash up front, the participating grocery stores, department stores and other retailers offer a substantial discount. Our School buys the scrip (gift cards = prepaid gift certificates) at a discount price, and re-sells the certificates to families like yours for full face value. The discount - from 2% to 15% or more – is our School revenue.

Find Out More

Please ask your scrip coordinator listed below how to order, or fill out an order form at the school front office, and find out the complete list of available scrip at for the latest participating retailer list at the school website.

Then put your shopping dollars to work for our organization!
