Fall Run 10/02/2009

How do I get in?

The entry fee for each race is \$10.00. This money will be due on Thursday, October 1st to your physical education teacher. We strongly encourage students to raise additional money than the entry fee by getting donations from family and friends. All of the proceeds raised through the Fall Run help to support Lee Middle School's athletic programs. The money raised pays for officials, uniforms, transportation, entry fees and necessary equipment. This year it is even more important that we raise funds because we need to pay for our coach's stipends. Thanks in advance for your support.

Check all that apply, if a student raises :
