

The Circle View PTO is excited to offer again a weekly delivery of fresh organic produce straight to our school from Tanaka Farms. **The cost this session is \$90.00 for 3 weeks.** Produce is picked the morning of delivery and brought to the school. Produce needs to be picked up on Wednesdays between the hours of 11:00am and 1:00pm on the back side of the MPR (facing the parking lot). You **MUST** be able to pick up your produce, or make arrangements for pick up, during this time period in order to participate. Tanaka Farms recycles their boxes so please bring bags (grocery or canvas) to place your produce in. You do not choose what is in the box; Tanaka Farms chooses what is inside.

New to this delivery is the Fruit Only Box. The Farm is offering a fruit only box option. The fruit is conventionally grown and Tanaka Farms will be purchasing the majority of what is in this box. You may receive the vegetable/a few fruits box and/or the fruit only boxes. **All boxes are \$30.00 each.** (Thus if you want a fruit and a vegetable box each week you would pay \$180 for the month.) You may also purchase different boxes on different weeks, if you want every other box to be fruit only pay the \$90 and mark the form below with V for vegetable or F for fruit. If you do not mark the boxes below you will receive a vegetable box for that delivery. We will not be calling you to ask you, this is your responsibility to be clear.

- Fresh picked **organic produce (fruits and vegetables – in the vegetable boxes).**
- Produce is seasonal and therefore will change, adding variety and exposing your family to new foods.
- Supports a local farm.
- Helps support our PTO as we receive **\$5.00 for each box of produce ordered.**

If you are interested in participating in this service please return the form below along with your payment of \$90(or \$180 if you want both boxes every week) **made out to CVPTO** to the office by Wednesday, January 6th in an envelope marked Tanaka Farms. Delivery dates and payment schedule are shown below. **The prices are reflecting Tanaka Farms price increases for 2010.** January is a three week delivery option only. But after January if you wish to keep your cost down, you can opt for only a three week delivery each month, you would not receive the fourth delivery. So if you want 3 weeks for the February delivery that option will be offered or if you want all four weeks of delivery in February, the cost for February will be \$120.00.
