

## How do I study for a science test?

- 1) Make sure you have read the chapter!
- 2) Check Mrs. Yakulis's website for objectives:  
[www.teacherweb.com/CA/RMS/Yakulis](http://www.teacherweb.com/CA/RMS/Yakulis)
- 3) Review your Reading Note taking Guide and review all of the "section summaries" in the packet.
- 4) Review your classroom notes.
- 5) Go to the online textbook and take the assessment for each chapter:  
[www.pearsonsuccessnet.com](http://www.pearsonsuccessnet.com)  
use username and password
- 6) Review the section questions and chapter questions from your textbook
- 7) Pay attention during the reviews in class!
- 8) Do extra credit outlines for the chapter.
- 9) Review the daily questions
