Young Rembrandts

Included in today's packet is a Young Rembrandts Registration Form. Young Rembrandts is an after school art program designed for kids of all ages. This program teaches kids fundamental drawing, coloring, and art skills as well as fundamental art techniques and art vocabulary. Along with these skills, children will be able to expand their creativity, imagination and confidence. These classes are held right here on campus every Thursday from 3 – 4. How convenient!

Opportunity to earn PPP hours helping St. Luke's Festival on Sat and Sun, 9/12 & 9/13!

The inflatable slide booth needs your help! We need people to work 2 hour shifts – we have open time slots on both Saturday and Sunday. This booth is geared toward smaller children and operates best with two people supervising per shift. The slide is a fun booth for the children and can't operate without supervision. **WE NEED YOUR HELP!** Please call Karen Wuellner at 993-6209 with the hours you can contribute! Thank you!
