I agree to pick-up my child promptly at the end of each team meeting. If my child has not been picked up within 15 minutes of the designated end of the meeting, and I have not made other arrangements, I understand school personnel or a team coach may call the Tehachapi Police to take custody of my child.

I understand that VOCS Robotics team coaches are usually community volunteers and not school district personnel, and that all team meetings require two adults present. If two adults do not attend, the meeting will be cancelled, and I will be called and will pick up my child promptly.
