

Dear Connecticut Legislators ...

2009-10

Dear Supporters of Education in Connecticut:

The purpose of this flyer is to provide you with contact information for the members of our Connecticut legislation contingent. Whether you are pleased with a program that has been implemented, or strongly opposed to an issue, or just want to offer your opinion, **it is vital that our state and congressional leaders know how you feel!** As our elected officials, they need to know the impact of the work they do in Hartford and in Washington, D.C. Let them know!
