Christmas Show

By: Ariana R.

Our music teacher, Mrs. Doherty, directed the Christmas Show this year. It was held on Monday, December 19th at 7pm for the 1st through 3rd grades. The children sang Christmas music and some even played the recorder. The audience was allowed to sing along with the kids in a few songs. This was a great event to come to because it was filled with a lot of Christmas cheer. Thank you for coming to support the children and to have a fun time.

Robotics Club

By: Nora A. and Leah D.

On Saturday, December 3, the Robotics Club entered a competition at Shelton High School in Shelton, CT. A few days before the competition, the teams got T-shirts with their team's logo on it. The coaches for the Robotics Club are Mrs. George, Mrs. Hefele, and Mrs. Varian. In the competition, they had to work in teams, the Angry Bots and the Robo Knights, to build a robot. They worked very hard together and did the best they could. Unfortunately, they did not win but did a fantastic job! We are all proud of them and we wish them luck next competition.

As a school we should go on more field trips in Danbury. Danbury has a lot of interesting sites. Two years ago we went to the Danbury Ice Arena. And everybody enjoyed it a lot. We think it was a fun trip. We used to have carnivals which were also very fun. We think that we should go to the ice arena and have carnivals again. It would bring us together more as a community, and we think everyone would have a lot of fun and enjoy.
