

Name _____

Date _____

How Many of Each?

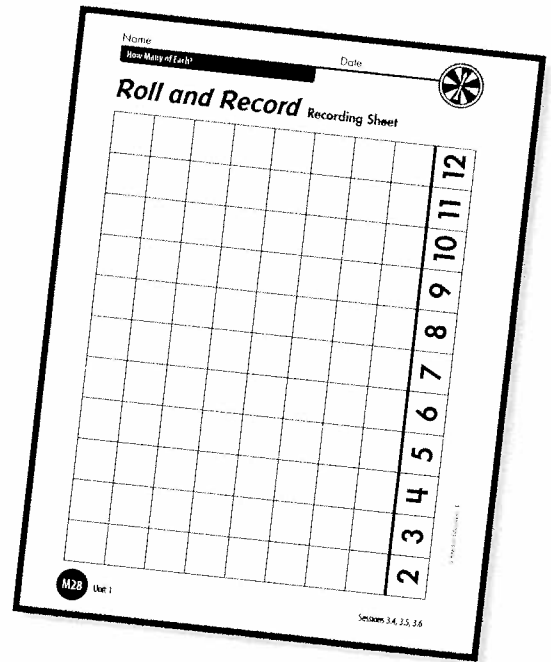

Roll and Record

You need

- 2 dot cubes 
- recording sheet

Play alone.

- 1 Roll 2 cubes. 
- 2 Add the numbers. 
- 3 Write the sum on the recording sheet.
- 4 The game is over when one column is full.

The recording sheet is a grid with 10 rows and 12 columns. The columns are labeled with numbers 2 through 12. The grid is used to record the sum of two dice rolls. The sheet also includes a target icon and the text 'M28 Use 1' and 'Sessions 3.4, 3.5, 3.6'.

More Ways to Play
