

# read to self song

(sung to the tune of 'mary had a little lamb')

we get started right away,  
right away,  
right away.  
we get started right away,  
read to self!

we work on our stamina, (make fists and show muscles)  
stamina,  
stamina.  
we work on our stamina,  
read to self!

we keep our eyes on the book, (point to eyes)  
on the book, on the book,  
we keep our eyes on the book,  
read to self!

we read our books the whole time,  
the whole time, the whole time,  
we read our books the whole time  
read to self!
