## Reading Strategies Song

Sung to the tune of B-I-N-G-O

\*Created by Stacy Vensko\*

**Whenever you come to a tricky word  
and you're not sure how to read it,  
Use a strategy! Use a strategy! Use a  
strategy like...**

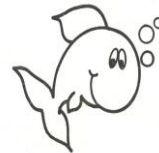

\*Back up and reread it

\*Skip it and hop back again

\*Look at the picture clues

\*Get your mouth ready

\*Flip the vowel sound

\*Stretch the word out like a snake

\*Find a chunk you already know

\*Ask your teacher for some help
