Arrival in Sydney

Touch down in Sydney, Australia's oldest and largest city. After clearing customs, you are greeted by your tour director, who will remain with you throughout your stay.

Walking tour of the Rocks (time permitting)

Enjoy a walking tour through the historic Rocks area, where Australia's first fleet of European settlers landed in 1788. Built upon a sandstone foundation from which the area gets its name, today the Rocks serves as a cultural and historical meeting place for Sydney locals and visitors alike. Stroll through the narrow, cobblestone streets to find galleries, restaurants and shops around every corner. If you're there on a Saturday or Sunday, explore the fabulous weekend street market-a tented city block filled with handcrafts, art and local foods. Street performers treat onlookers with examples of their skill. Don't be surprised if you're asked to try out your lung power on one of the world's oldest instruments: the didgeridoo!

Day 4

Sunday, June 24, 2012

Visit to the Sydney Opera House

Visit this famous Sydney landmark. You might have the chance to sit in on a Sydney Symphony Orchestra rehearsal. Enjoy a behind the scenes experience and a tour of the theater.

Visit to the Sydney Tower

Visit the observation deck of Sydney Tower. At 1,063 feet, it is the second tallest building in the Southern Hemisphere!

Visit to an opal factory

Discover the national gemstone of Australia, the opal, on a visit to an opal factory. Opals make popular souvenirs for many tourists.

Guided sightseeing of Sydney

Learn about the city's early days as a land for exiled convicts during your Sydney sightseeing. Take a seat on Mrs. Macquarie's Chair, a sandstone bench supposedly hand carved by convicts for Governor Macquarie's wife in 1810. From this legendary perch, take in spectacular views of Sydney Harbour and the world-famous Sydney Opera House. Continue to The Gap, an ocean cliff that overlooks the point where Captain Arthur Phillip's fleet first entered Port Jackson to establish the settlement that would become Australia. After a stop at Bondi Beach, drive through the historic Rocks district and pass beneath the Sydney Harbour Bridge.

Cruise of Sydney Harbour

Board your boat for a scenic cruise through beautiful Sydney Harbour. You'll also visit Darling Harbour, where a complex of shops, gardens and museums opened for the 1988 bicentennial.

Visit to Sydney Wildlife World

Get up close and personal with exotic animals at the brand-new Sydney Wildlife World in Darling Harbour! Keep your eyes out for kangaroos, koalas, crocodiles and more.

Day 5

Monday, June 25, 2012

Optional excursion to the Blue Mountains

Enjoy a full-day excursion to the spectacular Blue Mountains, named for the blue mist that rises from the area's eucalyptus trees. Travel west of Sydney, passing by the site of the 2000 Summer Olympics Games, to the Blue Mountains, once a seemingly impenetrable barrier to westward expansion. Attend a screening of *The Edge*, Australia's only giant-screen destination movie, which recounts how explorers conquered the Blue Mountains in 1813. While conducting research for the film, scientists made an extremely rare botanical discovery: the Wollebi Pine Grove, made up of ancient pine trees not found anywhere else on earth. So important was the discovery, in fact, that the film crew were blindfolded before being led to the spot so that they could not reveal its location!

Free time in Sydney

Alternatively, spend the day at your own pace in Sydney. You might choose to tour the interior of the Sydney Opera House or browse amid the shops of Darling Harbour. Also consider visiting some of the city's acclaimed museums, including the Museum of Sydney, the Museum of Contemporary Art or the interactive Powerhouse Museum.

Dinner is not included this evening.

The railway climbs to the quaint rainforest village of Kuranda. After time for browsing in the markets of Kuranda, descend via Skyrail—the first ecotourism rail system in the world—back down the escarpment.
