

### Career & College Planning/Research

1. Complete the Career Planning Research for a career that potentially interests you & turn this in as you leave class
2. <http://www.gacollege411.org/>
3. Click on Career Planning
4. Take at least 1 of the Learn About Yourself Tests (you may take more than 1)
5. College Planning

You may use College Planning through gacollege411 or go to the specific college websites that interests you

You should look at 3 colleges and answer at least the following questions:

Name of College:			
Do they have the degree program that interests you? If yes, what is it?			
<b>Admission Requirements/Costs:</b>			
Minimum SAT score			
Minimum ACT score			
Minimum GPA			
Application Fee			
Application Deadline			
Number of essays required for application			
Number of recommendations needed			
Additional documentation required			
Tuition			
Fees			
Are freshmen required to live in campus housing?			
Housing costs			
Meal costs			
Estimated Book costs			
Other : (what else are you looking for in a college or need/want to know)			

10. College Planning gacollege411
  - Scholarships – Look for scholarships that you should apply for (you will be required to apply for at least one this semester)
  - Testing – Look at the SAT/ACT test prep info
11. Browse the gacollege411 site for other information/tools that may be helpful to you and your family as you plan for your future after high school
