Northshore High School PTSA
100 Panther Drive
Slidell, Louisiana 70461

August, 2011

Dear

It's that time again! Please renew your **Community Partners** status with NHS PTSA, or join us for the first time, and feature your business on our PTSA website!

Northshore High School PTSA is seeking community partners for the 2011-2012 school year. Our website makes it possible for home and school to exchange news and ideas, which helps our members communicate better with each other and the school. Your partnership with NHS PTSA, a tax deductible donation, will be mutually beneficial! Showcase your business to over 1600 local families, teachers, and staff while enabling our PTSA to increase the level of school-wide programs offered to our students. All donations made to our *Community Partners* program will be used solely for PTSA projects very necessary to our school community. Specifically, funds raised will go to support PTSA-sponsored programs including *Teacher Mini-Grants* to help supplement technology and supplies inside the classroom, *Cultural Arts Programs* beneficial to college-bound students trying to build their portfolios, *Positive Behavior Support (PBS)* to reward students whose behavior reflects good citizenship and the values NHS strives to uphold, *Beautification* to maintain pride in the NHS campus, *Recycling* of ink cartridges and cell phones in order to support green efforts and our military personnel, and much more.

Will you be one of our **Community Partners**? For your \$150 donation, we will add your business name, address, website, and phone number to our PTSA Sponsor page at the following address: <http://teacherweb.com/LA/NorthshoreHighSchool/PTA/apt1.aspx>. Every *Community Partner* will be rewarded with year-long, continuous access by our parents, teachers, students, and staff, as well as a *Certificate of Membership* to display in your business!

Please support our PTSA efforts, and mail your check for \$150 payable to *Northshore High School PTSA (NHS PTSA)* to:

**Northshore High School PTSA
Community Partners Program
100 Panther Drive
Slidell, LA 70461**

E-mail your business name, physical address, web address, and phone number to NHS PTSA president, Kelly Boos, at kellytboos@charter.net. Inquiries may also be addressed to Kelly at the same email address.

Sincerely,

Kelly Boos,
NHS PTA President
