

# Addition War

Players: 2

Equipment : deck of cards

Game set up:

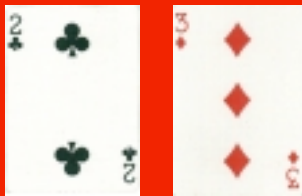

1. Take face cards out of the deck (include Ace-10 cards)
2. Deal all cards evenly

How to play:

1. Each player turns over 2 cards
2. Players add 2 cards to get a sum
3. Player with highest sum takes cards
4. If sums are equal, a war is declared
5. Players deal 3 more cards, player with highest sum of war takes all cards
6. Play continues until one player had collected all cards

Example:

Player 1

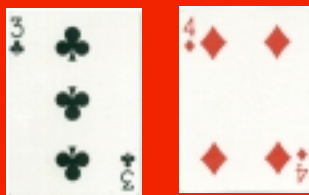

$$2 + 3 = 5$$

Player 2

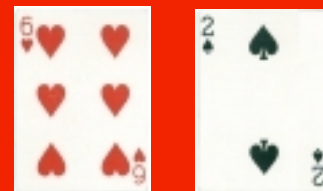

$$4 + 1 = 5$$

Sums are equal,  
War is Declared!

$$3 + 4 = 7$$

Player 2 wins war  
and takes all cards.

$$6 + 2 = 8$$
