

Make It Big! - Make It Small!

A Place Value - Digit Game

Materials:

*Deck of Cards, cards Ace -9 only (Ace is equal to the digit 1)

Number of Players:

Two (2) or more

Directions:

A player shuffles the card deck and places it facedown on the playing surface. In each round, each player takes two (or three) cards from the top of the deck, and then makes and reads the largest (or smallest) number that can be made using those cards. The player with the higher (or lower) number takes all the cards played in that round.

The game is over when players run out of cards. The player with the most cards at the end wins.
