

A Note About Scholastic

Monday, September 8, 2008

Hello! Attached you will find Scholastic Book Club order forms for the month of September. I will send order forms home each month, so please do not feel that you need to order books every time they come home. This year, I would like to make two ordering options available to you:

You may order with a check through 1-B:

- Complete the order form(s)
- Write a check made payable to **Scholastic Book Clubs**.
*Note: **Only one check is necessary**. All catalogues are through Scholastic.
- Send in your order form and check by Friday.
- I will place your order, and send it home with your child when it arrives.

You may order online:

- Go to: www.scholastic.com/parentordering
- Class User Name: **1byrnes**
- Password: **books**
- Place your order with your credit card by Friday morning.
- Your order will come to me, and your credit card payment will go directly to Scholastic's secure server. There's no need to send money or order forms to school.
- I will submit any orders turned in with checks on Friday. When I do so, the entire class order is submitted to Scholastic. Your order will be delivered to our classroom for your child to take home.

If you are ordering books this week, please place or submit your order by Friday morning. Book orders will always go home at the beginning of the week and will always be due by Friday before noon, as I place all orders on Friday.

I have not and will not make announcements regarding order forms or book arrivals because not all children will be ordering books. When the books arrive, I will put them in your child's take home cubby. At the end of the day your child will bring the books home. Typically, books take 1-2 weeks to arrive.

The Scholastic Book Club is a good opportunity for you to sit down with your child and find out what kinds of books he or she enjoys. It is great to pick out books your child can read to you, books you can read to your child and books you can read together. Also, the Scholastic program has been wonderful for 1-B's book collection. For those of you that do not know, every book that you order through 1-B earns points towards books for our classroom. I have added fabulous books to our classroom library with your children in mind thanks to your support of this program. Thank you!

Sincerely,
Sarah Byrnes
