## Thursday, November 13

8:00–8:20 Jordan

## Friday, November 14

8:00–8:20 Curtin

Please make a note of your conference date and time. Please arrive on time for your conference and note that each conference is 20 minutes. Your child's work will be available for you to review in the hallway before or after our conference.

I look forward to meeting with you to share your child's academic and social strengths, set goals for the remainder of the year and discuss what you can do at home to support your child's learning. If there is anything else you would like to set aside time for us to discuss, please let me know by email or by sending in this form. It is important to me that any questions you have are answered, concerns are known and a plan for the school year is made together.

Thank you for taking the time to complete and return this to me prior to our conference.
