## 3-D Project

### Key Dates:

<b>Friday, May 29</b>	3D Project introduction
<b>Monday, June 1</b>	Submit 3D Project Idea
<b>Wednesday, June 3</b>	Projects Approval
<b>Thursday, June 4</b>	Submit 3D Material List and Plan
<b>Thursday, June 18</b>	Final 3D Project due. Please do <b>not</b> bring in project before that date.

You will be presenting your projects to your classmates and parents, describing the information you have learned about your topic, how you put together the project, and what the process was like for you.

### Project Genres

- Poetry/Song with lyrics
- Newspaper
- Model
- Diorama
- Journal or Diary
- Narrative Story
- Newscast
- Advertisement
- Game
- E-mails or letters
- Museum Display
- Advice Letters
- Magazine
- Poster
- Brochure
- Computer Slide Show / PowerPoint
- Picture Book
- Other? See your teacher if you come up with other ideas.

Remember:

The goal of this project is to show what you have learned and teach others about your topic. It needs to give information and be interesting at the same time. See the rubric for details.

Teacher Approval: \_\_\_\_\_ June 3, 2009

Name: \_\_\_\_\_

Date: \_\_\_\_\_

**Materials List due Thursday, June 4**

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_

6. \_\_\_\_\_
7. \_\_\_\_\_
8. \_\_\_\_\_
9. \_\_\_\_\_
10. \_\_\_\_\_

**Planning 3D Project:**

- Estimate the number of hours you think you will need. Then double it!

\_\_\_\_\_ hours x 2 = \_\_\_\_\_

- Go to your calendar and schedule project time. Make sure you schedule all the hours that you need.
