5. Rosa is planning either a guest speaker or a trip to the Chapel of Divine Mercy in May. More information will be presented at future meetings.

6. Krystal Kofton brought up a concern that several parents have expressed a desire to have risers for the performances. Many parents could not see their child during the holiday concert and risers could alleviate this situation. Cheryl Batista informed the members that the school has risers and will be checking on why they are not used. There was some thought that it may be due to a safety concern.

7. Pat Correira reflected on the Santa Breakfast and ways to improve it for next year. The raffle was a concern for her and trying to figure out a way that it could be done differently. She also would like to see more items donated for items to make the breakfast.

8. Pat Correira requested \$250.00 to purchase sports equipment for physical education. She is in need of items such as soccer balls and other items to build strength.

We would like to thank all that attended and hope to see more new faces. If you can not attend the P.T.O. meetings but would like to volunteer for an event, subcommittee or share an idea, please contact Rosa Moniz at danielprmoniz@gmail.com
