

# Comprehension Prompt Cards

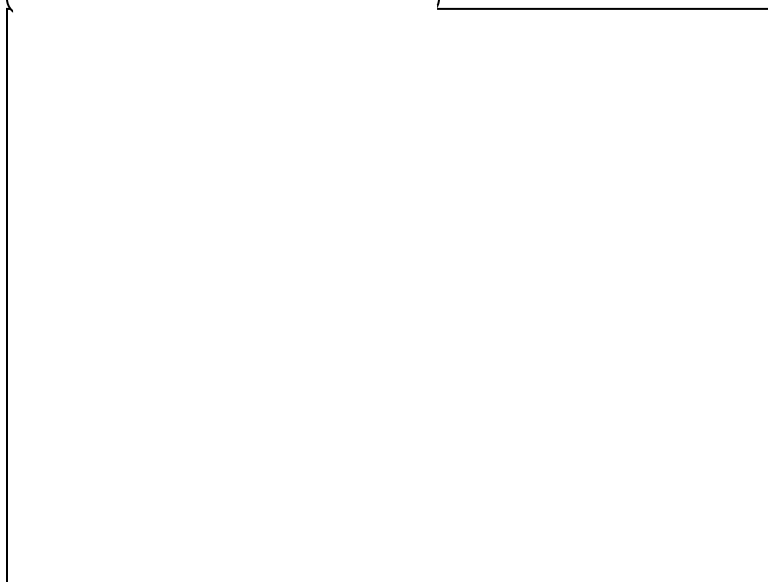

A special thank you to Ms. Winston (<http://www.mswinston.com>) for allowing me to use her comprehension prompt questions to create these cards!

Print and laminate the cards. Hole punch and place on a card ring, separated by the questioning dividers for quick access to the types of questions you'd like to use.

Cards created by: Christina Bainbridge

**Make a Prediction!**

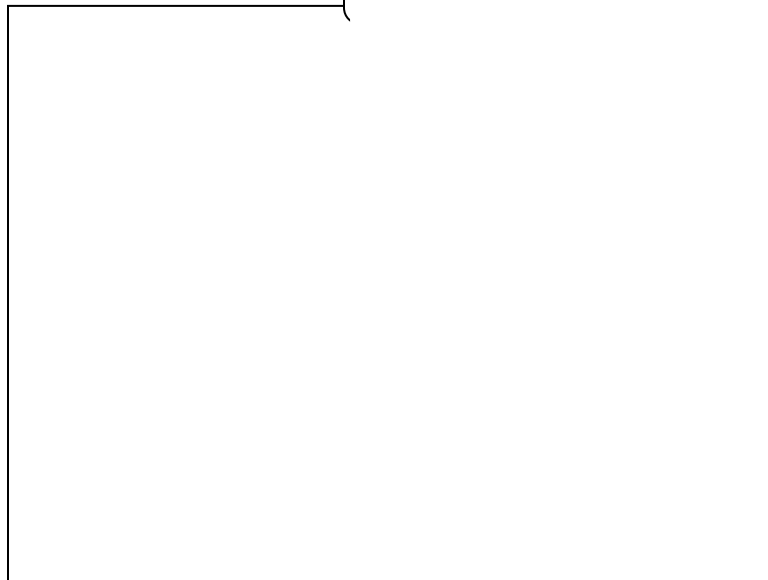

**Clarify Something!**

Ask a Question!

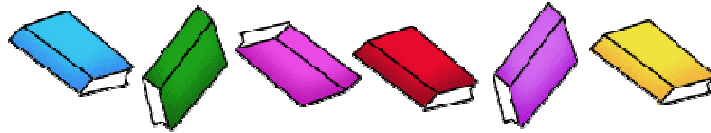

Make a Comment!

Make a Connection!

# Comprehension Prompts

Questions by: Jessica Winston  
Cards by: Christina Bainbridge

**Make a Prediction!**

I predict that...

**Make a Prediction!**

I bet that...

**Make a Prediction!**

The picture makes me think that...

**Make a Prediction!**

Because of this \_\_\_\_, I think \_\_\_\_ will happen next...

**Make a Prediction!**

I wonder if...

**Make a Prediction!**

I know \_\_\_\_, so I think \_\_\_\_ will happen next...

Clarify Something!

Oh, I get it now...!

Clarify Something!

Now I understand that...

Clarify Something!

No, I think it means...

Clarify Something!

This part is really saying  
that...

Clarify Something!

This makes sense now...

Clarify Something!

At first I thought \_\_\_\_,  
but now I think \_\_\_\_ ...

Ask a Question!

Why did...?

Ask a Question!

How is \_\_\_ like \_\_\_...?

Ask a Question!

What would happen if...?

Ask a Question!

Why...?

Ask a Question!

Who is...?

Ask a Question!

Why do you think...?

Make a comment!

This is good because...

Make a comment!

This is hard because...

Make a comment!

I like this part because...

Make a comment!

I didn't like it when...

Make a comment!

My favorite part is...

Make a comment!

I think that...

**Make a Connection!**

This reminds me of...

**Make a Connection!**

This reminds me of...

**Make a Connection!**

This reminds me of...

**Make a Connection!**

This reminds me of...

**Make a Connection!**

This reminds me of...

**Make a Connection!**

This reminds me of...
