There will be a \$15 charge\* for each intramural sport. This form must be returned with \$15 (\$30 for both) to the front office by:

**Tuesday, August 30<sup>th</sup> for Soccer**    \*\*Parents game, WED. Sept. 28, 6:00 p.m.\*\*

**Tuesday, Oct. 4 for Flag Football**    \*\*Parents game, WED. Nov. 9, 5:00 p.m. (Daylight savings)

### **ELIGIBILITY REQUIREMENTS:**

- Must maintain a minimum grade of C- in each subject and/or class to participate. Students with grades less than a C- may make an appeal to the principal, intramural dir., and their teacher. Grades are checked from the most recent grading period for each sport.
- Cannot be on probation for any reason. Participation will be suspended until taken off probation.
- Maintain good sportsmanship. You may be asked to leave a game at the discretion of the supervisor due to personal misconduct such as fighting, swearing, arguing, etc. If this occurrence happens twice, you will be asked to sit out the remaining games for that sport.
- There will be **no refunds** for those who lose their eligibility to participate once they have registered.
- Based upon the number of participants for any activity, a decision will be made regarding:
  - The number of games to be played
  - whether co-ed or not
  - a weekly schedule
  - grades integrated for play
- Since the objectives of the RMES Intramural program are exercise, sportsmanship, and skill development, team members may be reassigned at any time at the discretion of the intramural director to achieve these objectives.

NOTE: All students must be off the school premises immediately after school dismisses unless they are involved in the intramural program for that afternoon. After the intramural activities are completed for that day, there will be a 15 minute pickup time. After the pickup time, there will be a supervision charge.

**We hope this intramural program is an enjoyable learning experience for each of you!**  
**Randy Lonto, Intramural Director**

I have read and understand the intramural eligibility regulations and guidelines stated above.
