## ANGEL TREE

Chapel offerings for November and December are going to Project Angel Tree. This is a ministry of Prison Fellowship focused on letting the children of prisoners know that even though their moms and dads made a mistake, they still care about them and think of them. The focus is on the children. With each \$40 that we collect in chapel, we can sponsor another child! People from our church and school visit the children, find out what they want for Christmas, and let them know their mothers or fathers are thinking of them. They will then be invited to our musical Advent service where they may pick up their gifts. If you would like any more information on this, please contact Mrs. Hegenauer.
