

The Music Classroom Needs New Risers!

Once again we will be participating in the General Mills Box Tops for Education program and collecting Kemps and Land O' Lakes milk caps to raise money for Centennial Elementary. Last year we raised over \$3600 by collecting Box Tops and Milk Caps which paid for the last Smart Board needed in the classrooms. This year our focus is to pay for the new risers in the Music Classroom. The old ones were from the 1970's and in desperate need of replacing. The goal is to raise \$4529 to pay for the new risers. We did awesome last year and we know we can do it again this year!

Collecting Box Tops/Milk caps is very easy! Just clip Box Tops and bonus certificates from specially marked products (see the list on the reverse side - 23 new items were added this year) and collect milk caps from Kemps or Land O'Lakes (only these brands) and send with your child to school. Box Tops are worth 10¢ each and milk caps are worth 5¢ each.

There will be a bucket in each classroom where the kids can turn in Tops and Caps. They will receive a small treat from their teacher each time they do so. Starting in October, we will tally how many Tops/Caps are being collected by each classroom. A

popcorn party will be given to the class that collected the most for the month and at the end

of the year, the class that collected the most for the school year will be rewarded with a pizza party! Look for our big Thermometer and the tally chart for each class near the Media Center door when you come in to school to see how well we are doing. See the separate sheets for a special September contest.
