Fundamentals are critical when you begin to play basketball. The Hancock varsity team works on the basic fundamentals every single day at practice. This camp will focus on dribbling, dribbling, and more dribbling! We will work on coordination drills, dribbling with two balls, introduce tons of dribbling drills, and will be using goggles so that the athletes cannot look down at the basketball while dribbling. There will NOT be any awards or t-shirts at this camp. Grades K-4 will do a dribbling show on Friday at 11:00am.
