After numerous hours of dribbling, you will become an excellent ball handler.  
We will be conducting some intense dribbling drills that involve working with one ball, two balls, and three balls.  
We will also work on coordination drills involving dribbling with one hand, and working with a tennis ball in the other hand.  
The toughest drill will be dribbling with one hand and trying to hit a tennis ball with a raquet in the other hand.

***Please bring the following items with you to camp each day:***

Tennis shoes, water bottle, towel, two good basketballs, tennis ball and racquet (if you have one).

Do not go out and buy a tennis raquet or tennis balls as I will bring a bunch to camp.

Session One athletes should bring a sack lunch each day!
