

Christian Ethics Form

St. Joseph's School offers opportunities for students to participate in extra-curricular activities. The extra-curricular activities include Art club, athletics, school play, student council, etc. These opportunities are "extra" and considered a privilege. Students participating in extra-curricular activities represent St. Joseph's Parish and School. Participants are expected to model Christian value while representing the school wherever the extra-curricular activity occurs.

All students in 6th, 7th or 8th grade and all students participating on the swim team will need to return this form.

- Respect authority, others and oneself
- Respect property
- Maintain a safe and healthy learning environment

Participants who fail to model respectful, Christian behavior are subject to the school's discipline procedures. Serious offenses will result in immediate removal from the extra-curricular activity.

I have read and understand the above expectations and agree to model Christian behavior while participating in an extra-curricular activity. I understand the consequences if my behavior does not reflect St. Joseph's Parish and School values. I have also read and agree to be governed by the policies and procedures which specifically apply to the extra-curricular activity (athletics, school play, student council, etc.) in which I participate.

As a parent/guardian, I have read and understand the above expectations and discussed them with my child. I also agree to model Christian behavior as a spectator of extra-curricular activities. I have read and agree to be governed by the specific policies and procedures which apply to the extra-curricular activity (athletics, school play, student council, etc.) in which my child participates.
