Home

We welcome representatives from universities throughout the world to come to our schools and attend our tour of college fairs.

Our schools and fairs are independently run, but we do work together to create this annual tour in an effort to encourage universities to send representation to our country in an organized and simple way.

The links on the left will help you to learn about and register for the fairs in which you wish to participate.

We hope that you will be able to join us this fall.
