

BAND HANDBOOK: 7th & 8th Grade

Attention Parents & Students:

Every 6th grade band student and every new band student receives a hard print copy of the River Road Middle School Band Handbook. Your child should have received a copy of this handbook last year. This handbook is an extensive, 14-page guide containing policies and procedures about the band program at RRMS. Although, much of the information is consistent from year to year, some information changes. This is especially true for dates and the band calendar. An online edition of the current handbook for this school year is located on the RRMS Band Website.

In an effort to “go green”, saving paper, money, and other resources are very important both in our community and in our school. Therefore, I will not be copying and passing out this year’s handbook to returning band students (i.e. 7th & 8th graders). However, all returning band students and their parents are still responsible for being familiar with the information contained in the handbook. The website where you may access the online edition of the handbook is located below. Please visit this site with your child. After reading over the online handbook, please sign the statement located on the back of this sheet of paper and complete the contact information. The signed agreement form along with contact information is due Friday, August 28th.

If you are unable to access the website for any reason, please check the box below and return the form to school as soon as possible. Any student who returns this form with the box below checked will receive a printed copy of the handbook from Mrs. Williams to take home.

I am unable to access the RRMS Band Website; therefore I have not signed the Student/Parent Agreement Form yet. Please send a print copy of the handbook home with my child for us to read and sign.
