Judy is doing the directories again. It was decided we would go back to obtaining information from the specific families vs. using the data that is on file. August 17 is the deadline for returned forms, and Aug 24 for the artwork. It will be distributed early October.

Operations – Mary DiSano won volunteer of the month and a gift card to Fresh Market.

Services - Cultural Arts – we need volunteers and grade level contacts. Teacher appreciation – a year round plan is in place. Reflections – nothing to report.

Ways and Means – Magazine sales – Volunteers are needed for the Sept 6th and 13th, main event days. Spirit nights – Aug, 28th, Oct 30, Jan 24th and March 11th. Membership – as of this meeting there are 739 PTA members. Spirit wear sales are going well. Organization for the Book Fair has begun.

Treasurer – The budget was reviewed. It was agreed we would hold off teacher grants and technology grants until results of the fund raisers are in at the beginning of September. Mr. Ellzey agreed to notify teachers of our intention to delay issuing grant money.

President's Report – The updated PTA roster is published. Tammy explained how the Lobby Guard works and the need to sign in each time. Meet the teacher night for track 4 is Aug 21. The December board meeting will be at a place TBD and will just be a dinner with no meeting.

Principal's Report – Mr. Ellzey explained he has seen a very smooth transition back to school this year. All of the tracks are getting into a routine. Staffing continues to be a focus. He is now in the process of finding a new football coach.
