

Thank you for your interest in the Infinite Campus Parent Portal. Once your account is created, you will be able to view your son/daughter's grades, attendance, behavior, fees, and much more!

I have attached the instructions for setting up your account. It's a pdf file named SetupInstructions.pdf. You will need Acrobat Reader to open this attachment. Most computers already have Acrobat Reader installed. If by chance you do not have this free program you may download it at:
<http://www.adobe.com/products/acrobat/readstep2.html>

Please email (jmhansen@esu7.org) or see Jill Hansen for your unique activation code.

You will need this activation key later when you begin the process of creating your account.

Please open the attached document and follow the instructions on how to setup and create your account in Infinite Campus! If you have any trouble with this process please let me know. Good luck!
