

Together We Can Make a Difference

Please review the handbook with your child. Reinforce the importance of school rules in creating a positive and safe learning environment. You and your child should then sign the contract and return the tear-off portion to your child's homeroom teacher.

I will come to school prepared.

I will follow the bus conduct/safety rules.

I will follow cafeteria and recess rules.

I will follow fire and safety drill rules.

I will treat adults and other students with respect.

I will respect myself, others and school property.

I will walk quietly and orderly in the hall.

I will keep Warnsdorfer School bully free – I will tell, not tattle.

I will use the Win/Win guidelines to solve conflicts peacefully.

Return this portion to your child's homeroom teacher.
