

# Wildlife Biology & Conservation

## August & 1<sup>st</sup> few days of September 2011

### Class Update

As of 22 August 2011

#### Class Schedule

Thu	I	18	Aug	G		1 <sup>st</sup>	Intro to class and into the field	In/Out
Thur	I	18	Aug	F		2 <sup>nd</sup>	Intro to class and into the field	In/Out
Fri	I	19	Aug	A		3 <sup>rd</sup>	Intro to class and into the field & Field Notebooks	In/out
Mon	II	22	Aug	F		2 <sup>nd</sup>	Intro to radio telemetry & porkies, & Field Notebooks	In/out
Mon	II	22	Aug	G		4 <sup>th</sup>	Intro to radio telemetry & porkies, & Field Notebooks	In/out
Tue	II	23	Aug	A		2 <sup>nd</sup>	Ethics, safety, class syllabus & field skills	In/Out
Wed	II	24	Aug	F		1 <sup>st</sup>	Ethics, safety, class syllabus, & field skills	In/out
Wed	II	24	Aug	G		2 <sup>nd</sup>	Ethics, safety, class syllabus, & field skills	In/out
Thu	II	25	Aug	A		1 <sup>st</sup>	Intro to Reptiles and Amphibians with Kimi	In
Fri	II	26	Aug	F		2 <sup>nd</sup>	Intro to Reptiles and Amphibians with Kimi	Out
Fri	II	26	Aug	G		3 <sup>rd</sup>	Intro to Reptiles and Amphibians with Kimi	Out
Mon	I	29	Aug	A		1 <sup>st</sup>	Wildlife field work – trap setting &/or field skills	Out
Tue	I	30	Aug	F		1 <sup>st</sup>	Wildlife field work – Trap collection & resetting &/or field skills	Out
Tue	I	30	Aug	G		2 <sup>nd</sup>	Wildlife field work – trap collection & resetting &/or field skills	Out
Wed	I	31	Aug	A		4 <sup>th</sup>	Basic field skills practical and herps of the bosque quiz	Out/In
Thu	I	1	Sept	G		1 <sup>st</sup>	Basic field skills practical and herps of the bosque quiz	Out/In
Thur	I	1	Sept	F		2 <sup>nd</sup>	Basic field skills practical and herps of the bosque quiz	Out/In
Fri	I	2	Sept	A		3 <sup>rd</sup>	No Class Labor Day Holiday weekend	

- ❦ Be prepared for field sessions with sensible shoes, water, etc. – you can store field clothing, like an old pair of not-so-smelly sneakers, in lockers in S2
- ❦ There will be a reading emailed to you each week. You are responsible for receiving it. A hard copy is always on the Librarian's desk in a Wildlife and Conservation Biology binder. Your response can either be emailed or submitted on paper. Email to: [dan.shaw@bosqueschool.org](mailto:dan.shaw@bosqueschool.org)
- ❦ Note that there is a quiz before we leave for the Labor Day Holiday
- ❦ The practical field quiz will cover:
  - Use of GPS (be able to locate yourself by longitude and latitude using GPS receiver)
  - Use of kestrel weather device (be able to determine: Temp, RH, Wind Max, Wind Avg)
  - Use of compass (be able to determine what direction something is)
  - Field journal entry (be able to properly and completely make a field journal entry)
  - Use of binoculars (be able to use binoculars and a guide to identify bird silhouettes)
