

S.S.R. Project II

Due Date: Monday, January 23rd

Poster Ad

Create a poster that advertises the book you read. It should look like a poster that one might see in a book store. It should have the title and author. It should have picture(s) about the book. It should have quotes from book critics, magazines, celebrities, etc... that praise the book. If you are unfamiliar with book posters, think, “movie poster – but for a book.” Remember, this is an ad trying to sell the book. Additionally, type a one page book review for your title! Explain your thoughts and provide details from the text to support your views. Attach it to the back of the poster with tape or staples.

❖ Separate Review= Typed, Times New Roman, 12 pt. font, 1 inch margins. Check this criteria before you print your paper!!!

***** For this project, be creative. Your grade will be based on quality, originality, creativity, thoroughness of task, and effort. *****
