- **Quadratic Functions**
- **Radicals and Quadratic Formula**
- **Complex Numbers**
- **Polynomials and Rational Functions**
- **Trigonometry**
- **Exponential & Logarithmic Functions**
- **Probability**
- **Statistics**
- **Sequence & Series**

FINAL EXAM = Algebra 2 & Trigonometry Regents

Grading & Attendance

- $AVG = \text{total points earned} / \text{total points possible}$
- 50 points are awarded each marking period for homework and participation which includes having completed homework, notebook and calculator in class each day.
- Daily attendance is very important. All material will be presented in note form on the chalkboard.

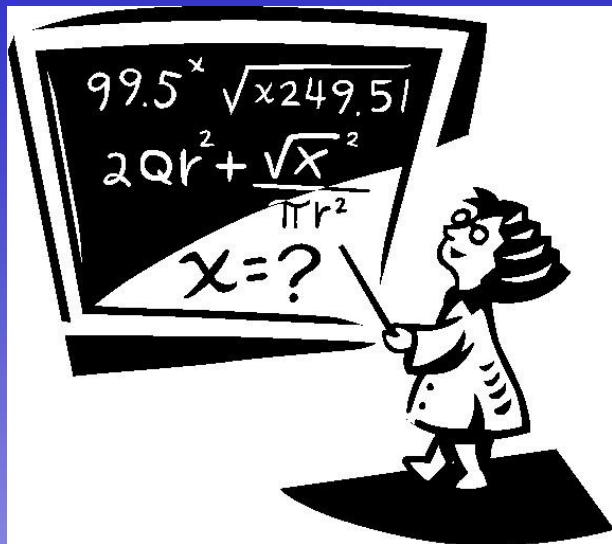

Homework

- Homework is assigned daily.
- Most assignments will be from the textbook.
- Part of your homework assignment is to check your answers in the back of the text and rework any you did incorrectly.
- **If you are absent from class for any reason it your responsibility to get the assignment and any handouts from my TeacherWeb page.**
- Extra Credit can be earned by putting homework solutions on the board.

Quizzes

- At least once a week.
- Will range from 10 to 50 points in value depending on the nature of the questions.
- Will be based primarily on recent work with some review questions mixed in.

Extra Help

Math Learning Center

Room 1450

Periods 1 - 8 everyday

Tuesdays 2:15-3:15 in Room 1222
