

## Would a \$20,000 scholarship change a student's life this year?

We'd like for one of those lives to be a graduating senior from *your* school. Begin promoting the 2008 KFC® Colonel's Scholars Program, and it could mean up to **\$5,000 per year** for tuition, fees, books, and room and board to one of your students.

The KFC Colonel's Scholars Program was created in 2006 and is dedicated to assisting students with financial need who plan to pursue a bachelor's degree at a public institution within their legal state of residence. To qualify, a student must be:

- Graduating from high school this academic year (between 12/1/08 and 8/31/09)
- Maintaining a minimum high school cumulative GPA of 2.75 or higher
- Enrolling in a public, in-state college or university (start date no later than 9/30/09)
- Pursuing a bachelor's degree
- A U.S. citizen or permanent resident

Scholars may begin their college career by entering into either a 2- or 4-year accredited, public (state-funded) college or university within their state of legal residence, as long as they stay on track to complete a bachelor's degree program.

Students complete their application online at [www.kfcscholars.org](http://www.kfcscholars.org). The online application will be available from **December 1, 2008 through February 10, 2009**. Students will be asked to provide pertinent information about themselves and their family life, their activity level during high school, and compose a few short answer responses to various questions. The online application will allow the student to save their work as they go. Once the application period closes (February 10), a preliminary review of all applications submitted will take place (early March). Based on the preliminary review, students selected as semifinalists will then be asked to provide additional supporting documents.

### *What should your students be doing to prepare?*

Right now, of course, is the time for all students to complete a FAFSA ([www.fafsa.ed.gov](http://www.fafsa.ed.gov)). An estimate of financial need can also be calculated at [www.act.org/fane](http://www.act.org/fane).

### *What can you do to help your students prepare?*

Display the enclosed posters around the school building, particularly in areas where eligible seniors might see them. If you need additional posters, a PDF file is available for you online at [www.kfcscholars.org](http://www.kfcscholars.org). Don't forget to contact students who you feel are eligible, and may graduate prior to the end of the academic year.

**The KFC Colonel's Scholars Program will announce the fourth class of Scholars by June 2009. Don't delay. Get the word out to your students today!**
