## Golf Classic Hits A Hole In One

On Monday, June 1, with the warm sun shining bright, 100 golfers attended Saint Martin de Porres golf Classic at Casperkill County Club. The festivities for this day began with check-in at 7:30 am and a continental breakfast. At check-in all golfers received a goodie bag full of many items from various supporters of Saint Martin's. Tee time took place at 9:00 am with warm welcomes from Msgr. Sullivan and our golf committee, a memorable prayer prepared by Father Gui and directions by our coordinator Rick Zolzer. With a scramble start, all golfers were quickly on their way to the links at Casperkill for a fun-filled and exciting day.

While on the course, the golfers had enjoyed many activities including an opportunity to win a SUV. Other unique activities

included the opportunity to have their gold balls blessed, to play with a "lucky" ball, to double some money if they could land on the green, enjoy delicious snacks and refreshing drinks, and even hit from various tees, including men from the women's tee, if they were willing to be part of the fun. I can assure you, I did hear that many of our fine golfers used their share of mulligans too.

After a few birdies, an occasional eagle and many bogeys, a delicious dinner was held under the tent. Mr. Rick Zolzer continued this exciting day as he awarded prizes to the golfers. Raffles included many wonderful prizes such as printers, a flat screen television, many electronic devices that surely interested all, and many gift certificates were just a few of the prizes given to the golf-

ers. The prizes were endless and a thrilling auction concluded the day on the greens.

Special thanks to all including our parents, parishioners, and friends of Saint Martin's who prepared, attended, donated, worked, and supported this day. Please mark Tuesday, June 1, 2010 for our second annual classic that is sure to be even bigger and better as we have set the bar very high.

## John Hopkins Center for Talented Youth School Report Results are Amazing

For this school year, nine students from Saint Martin de Pores School participated in the John Hopkins Center for Talented Youth Search along with top students from every state in the nation and over 90 countries. We are extremely proud of our students who took this challenging academic test which is normally given to stu-

dents two or three grades older.

Due to the date of the test, three student's results are not in yet. They are Emilia Otte-gr.7, Juliana Neves-gr. 8, and John Enkler-gr.8. All of our other students including Megan Mantaro-gr.7, Emily Venuto-gr.7 and Michael Blejwas-gr.8, scored well enough to receive the CTY High Honors Award and

three students, Melissa lori-gr. 8, Michael Boyd-gr.7 and Joseph Serencsis-gr.6, received scores at or above means of college bound seniors!

Congratulations to these students on their success with this test and best wishes for continued academic success! We are extremely proud of them!
