

Application for Transportation to or from Day Care Locations

Consistent with New York State Education Law 3635-1e, children in grades K-8 may be transported between the school the child legally attends and before and/or after school child care locations under the following conditions:

- 1 The parent or legal guardian for the child must submit their request for transportation in writing no later than April 1 preceding the next school year. New residents must apply within 30 days of establishing residency within the Yorktown Central School District.

- 2 The child care provider from or to which transportation is requested must be located within the boundaries of the Yorktown Central School District.

If the child care provider is outside the attendance zone of the school the child attends, it must be a licensed day care provider pursuant to Section 390 of the Social Services Law.

- 3 The child care location must meet the definition as provided in Policy #8419 of the Yorktown Central School District.

- 4 Requests for transportation must be from a consistent a.m. location and to a consistent p.m. location each day. Transportation to and from different locations depending upon the day of the week will not be permitted.
