Welcome to Kindergarten!

We are excited to have you as part of the CHCS family and in our Kindergarten class. This week we will have fun getting to know each other and the school. We will read stories, color papers, played I Spy, eat our lunch and had fun learning while we play. We will learn that the Bible is God's special book to tell us how much He loves us and when we pray we get to talk to Him. Friday we will talk about why Mrs. Wise's loves owls and nature so much through the use of literature and activities.

Next week we will meet our first Letter Person, Mr. M, Munching Mouth. We will get to learn about how we will do centers and some of the fun things that we will get to do next week that begin with the letter M. We will talk about how things are the same and different, ways we can sort things, and writing numbers 1-5 correctly. We will also learn about using good school manners and following school rules. Please refer to the weekly Lesson Aims for specific info.

On Tuesday, August 30th, we will have a time in the evening when the children will get to stay home and the parents will come to school. At that time I will share our goals for the year, ways you can serve and answer any questions you may have. I passed out the handouts at the Open House/Meet and Greet (drop off school supplies day), so that you have time to preview it and have your questions ready. I look forward to working together with your family this year to make this a great year for you child!
