- Sight words recognition, Words taught so far: I, like, to, are, you, see, my, do, and, the, is, made, there, a, me, on, they, have, go, look, when.
- I will be checking their progress on sounding out words using short a, i, and u.
- Identification of numbers 0-20 (the teens are the hardest to learn)
- Matching sets of items to the number 0-20.
- Counting to 100 (to see how far they can go without skipping a number or needing help on which 10s family is next).
- We will be checking their work for neatness, especially in coloring, pasting, cutting
- Progress in following directions and work habits.
