This week we will meet Spinner the Spider and learn how to make connections between our text and self. We will also read "That Toad is Mine". Assessment on Friday.

Writing/English: Pronouns

This week we will study pronouns and learn to name ourselves last when talking about ourselves and someone else. We will also write a story about Toys.

Math: Doubles/Plus One

We will leave money and go back to addition. This week we will study doubles and doubles plus one. I will be sending home information about our Pizza Party to celebrate our success with money!

Social Studies: Families

The remainder of the year we will spend learning about social studies. Our first unit will be all about families. We will learn different kinds of families, how families celebrate, where families live and how to be a good citizen.

Honey-Sweet Scripture!

This week in Bible we will be learning about John the Baptist and Jesus' temptations in the wilderness. Our scripture comes from Matthew 3:1-17 and Matthew 4:1-11.

There is not a new verse this week! It would be great if you could take some time and read the Bible stories with your children at home this week.

Important Class Information:

Victory Drill – This is a great way to help increase your child's decoding skills. If they pass their individual goal they get to come to a special party at the end of the year. Please let me know if you have any questions.

As we are counting money please know that being able to count by 5's and 10's is very foundational to children being able to count money. Any extra practice at home with this would be very beneficial.

I am in need of Mystery Readers! If you would like to volunteer please send me an e-mail. Thank you!

Spelling and Word Wall Words

This week's words are: **boat, toad, coat, slow, grow, show, coast, know, all, when**
Test on Friday.
