### Writing/English: Compound Words

We will learn all about compound words by playing a matching game and making a class book. We will also start writing some very important stories that just might turn your children to little authors!!!

### Math: Fact Families

We will work on fact families this week. We will also learn how to find missing addends by changing addition to subtraction.

### Social Studies: Communities

We will be talking about communities. The students will learn about the different and important parts of a community. They will turn a shoebox into a place in the community.

## Honey-Sweet Scripture!

"But Jesus called the children to him and said, 'Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these.'" Luke 18:16

We will learn about Jesus calling the children to Himself and also about His healing of Jairus' daughter. Verse is due on Friday.

## Important Class Information:

Please sign and return the X-Tra Math form so I know you received it and are informed of their homework.

There will be a Spanish test on Tuesday – they must recognize and say numbers 11 – 20.

Please work hard to get Bowl-A-Thon pledge money turned in! Thank you.

We will be building communities in social studies and are in need of shoeboxes. If you have any empty shoe boxes we could use them. Thanks!

We hope to see you Monday morning at one of the chapel services!

I am in need of Mystery Readers! If you would like to volunteer please send me an e-mail. Thank you!
