

Total War Theory: Atomic War

For this project you will build a PowerPoint that examines the consequences of atomic warfare

REQUIREMENTS:

- You will create a slide that lists reasons Truman used to justify dropping the atomic bomb on Hiroshima and Nagasaki.**
- You need to make two-three slides that discuss the consequences of dropping the bomb.**

Thee should include:

**How many people died in the event
What else was destroyed by the bomb
The lasting environmental concerns
The lasting health concerns**

- You need to make a slide that discusses what might have happened if we had decided not to use the atomic bomb**
- You need to make one slide that reveals whether dropping the atomic bomb was a good idea or a bad idea in you opinion.**

Overall, your slides should include images and one or two video or audio links.
