

FIRST QUARTER BOOK REPORT BAG-A-BOOK REPORT

Due:_____

1. Select an **autobiography or biography** book that you haven't read yet. I will have some available in my classroom and we will go to the school library at the beginning of October.
2. Fill in the worksheet. The worksheet is attached. Please take care to write a sloppy copy and then the good copy.
3. Prepare a brown grocery bag to use as a visual aid. Decorate all sides of the bag to get other children interested in the book that you are sharing. Make sure that you include the title and the author.
4. Inside the bag, place three items that represent a part of the story. These items may be drawings or "actual" items. (Toy boxes are great for finding things!!!)
5. Prepare a one to two minute oral report explaining the three items in your bag and tell why they are important to your story. You may not use any notes!!!
