Vince, Mike	419-882-0791	7-10	Math

The Sylvania School Board does not endorse teachers on a casual tutoring list nor have background checks been made on non-Sylvania teaching staff. A teacher's license to teach in the State of Ohio can be requested by the parent. The individuals named above have asked to have their names included on our junior high tutor list. It is up to parents to contact the prospective tutors and determine which tutor will best meet the needs of the child. Teaching licenses can be requested by parents. The cost of tutoring must be the responsibility of the parent/child.
