

Cell Project Grade 8

Due Date: Friday, October 16th, 2009
I need it in my hand by 3:40!

You are to choose either the Plant cell or Animal cell. Once that is done, you are required to reconstruct the cell in the most interesting way possible.

Requirements:

- ★ everything is non-perishable
- ★ all aspects are clearly labeled
- ★ all components are included
- ★ it is no bigger than a shoe box
- ★ you have used creativity when designing the project

Level 3 or 4 can be achieved by:

- ◆ using computer to label everything
- ◆ ensuring all components are labeled and described fully
- ◆ being unique in your presentation of your cell
- ◆ spelling is 100% correct

A rubric is posted as well on the website.
