

# Ancient Egypt Newspaper Evaluation

The following assignment should be composed of the majority, if not all of the following. You are of course welcome to include more than what is asked for, with respect to the content and appearance.

## 1. **Content Structure** (knowledge) /25

- All sections included (Front page, Entertainment, Sports, Comics, Home life, Technology/Science, Other)
- Minimum three articles per section
- Egyptian Subject matter - facts are true and stimulate though
- Some sections and “Other” contain fictional ‘fun’ facts

## 2. **Appearance** (Application) /20

- Conventional Newspaper layout
- Graphics are plentiful and generally at least one picture for major factual articles
- Articles and Newspaper have Egyptian themes
- Legibility, appropriate font/size,
- Durable newspaper construction
- Index, table of contents, sub-headings, titles, etc allow for an easier read

## 3. **Language Competency** (Com) /10

- Spelling,
  - Paragraph Format
  - Vocabulary
  - A list outlining the roles of each group member, (editors, reports, photographers).
- Articles, pictures and every part of a newspaper always includes the names of the people involved. Make sure you
